NON-RESIDENT LICENSE AND TAG INFORMATION

We need **all** non-resident applicants to place a check beside the license and tag(s) you would like for the upcoming hunting season. Once you have done this, sign and date on the lines below and return this form to us as soon as possible, along with the cost of the license and tags.

**Any non-resident hunting in September or October wishing to purchase additional tags to use in conjunction with their hunt such as deer, bear, and or mountain lion and deer hunting is not your primary target species should read the excerpt from the Idaho Department of Fish and Game regulations on the reverse side of this sheet which explains how you can possibly use your deer tag for mountain lion or black bear.*

We cannot purchase your license and tags until we have received a deposit from you.

NONRESIDENT DEER TAG USE FOR BLACK BEAR, WOLF, OR MOUNTAIN LION

Nonresident deer tags, EXCLUDING Nonresident Junior Mentored deer tags, are valid to take a black bear or mountain lion instead of a deer where and when the deer tag is valid, and there is an open deer season in that unit; and there is also an open bear season if taking a bear or open mountain lion season if taking a lion in that same unit. Hunters may buy other bear or lion tags, but after the deer tag is used to harvest a deer, black bear, or mountain lion, a second deer tag may not be purchased, except to hunt in an area where the harvest of two deer is allowed, or by purchasing a leftover non-resident deer tag when available.

NOTE: Residents or nonresidents may purchase one unsold nonresident deer and elk tag at the nonresident price starting August 28, to be used as a second tag. The nonresident deer tag may also be used to tag a black bear or mountain lion.
